ATIKOKAN IS HOME TO HUNDREDS OF LAKES IN OUR BACKYARD!

Each lake is unique in its way. Many lakes are easy to access from town, remote fly-ins, portage lakes, ponds, rivers, etc. The fish in Atikokan range from Walleye, Bass, Perch, Lake Trout, and Northern Pike all being the most common. You're sure to have a nice day on the lake when it comes to fishing in Atikokan. The summer days are warm and fish are biting. It's an experience that you'll have to try for yourself!

Hopping on a snowmobile, starting a campfire, and waiting for the fish to bite is one of the most calming, yet exhilarating experiences. There are hundreds of unique spots to try. As well, Atikokan in the winter has some of the most picturesque views in Canada.
